

NEW HAMPSHIRE MUNICIPAL MANAGERS ASSOCIATION MEETING MINUTES

May 18, 2007

Participants: John Scruton; Jessie Levine; Steve Fournier; Russ Dean

Absent: Sue Desruisseaux; Julia Griffin; Jill Collins

1. Erin Batstone is working on the Blue Mermaid for the Thursday night meal and will e-mail members who have signed up for the conference when the details are in place.
2. Russ will talk to Jeni Eldridge at LGC about getting staff assistance for the sponsorship mailing.
3. Jessie will talk to ICMA to see if they will work with NHMMA on a scholarship for the 2007 conference. Primex will also provide a scholarship up to \$1250 for ICMA and will also provide a scholarship for the NHMMA conference. Jessie is the contact for scholarship applicants. *N.B. – Talked to Michele Frisbee and she said that ICMA will give free registration to any members who need it as long as other funds are matched by NHMMA. When we have the names selected, we must send names of individuals to Sally Burnett (sburnett@icma.org).*
4. Jessie said that she had received a request from Paul Henle of the Granite State Fair Tax Coalition, who asked to be the speaker at one of NHMMA's monthly meetings. John Scruton said he would be opposed to the idea as he did not think it was a suitable use of our meetings. Others agreed and the request will be denied.
5. Jessie will talk to Peter Joseph about the September program on planning for the future of the profession and whether that is still on schedule.
6. Russ Dean asked about NHMMA's involvement in ICMA credentialing and John Scruton said that ICMA has in the past paid for the aptitude test and costs for credentialing, but not for the 360 degree follow-up portion.

Respectfully Submitted,

Jessie Levine
