

NEW HAMPSHIRE MUNICIPAL MANAGERS ASSOCIATION MEETING MINUTES

January 20, 2006

Participants: Julia Griffin, John Scruton, Richard Bates, Steve Fournier, Jessie Levine

Absent: James Pitts, Sue Desruisseaux

Meetings: Will still try to get the Governor in February or March with Maura as backup. Other back-up option is RSA 91-A update (from Jim Pitts). March or April will have utilities/ ROW update (Susan Olsen, Maura Carroll, Jim Howard, Rob Ciandella). April: discuss ethics code, implementation procedure - do we have a disciplinary body? John will check on insurance coverage regarding disciplinary action and Jessie will talk to Pam to see how other states handle ethics.

Annual conference: we reviewed the list of ICMA conferences. Rick highly recommended anything taught by the Glasers (www.theglasers.com). Julia suggested having Sue work with Deb Reid at ICMA about a full-day workshop that can be split into two halves. John will ask the Maine management association for ideas.

Mud Season workshop: Julia will e-mail Deb Reid to find out when the ICMA Northeast regional meeting is [n.b. it's April 6-7 in Gettysburg, PA].

Range Rider: Julia will e-mail Jim McSweeney to let him know no interest at this point.

Lori Walter: Julia will get a gift certificate for Lori Walter.

Meeting adjourned at 12:00 noon, followed by a full membership meeting of NHMMA at which Rep. Bob Wheeler and Bob Leggett and Kim France of NHRS gave a presentation on the retirement system.
