January 1, 2023

Dear Local Official:

I am writing on behalf of the Municipal Management Association of New Hampshire (MMANH) to invite you to renew your membership or join our state manager's organization for the 2023 membership year. The MMANH provides the sole statewide opportunity for local government managers to network and access educational programs tailored specifically for our professional and regional interests. MMANH is supportive of our next generation of municipal managers through its sponsorship of a successful fellowship program for graduate students looking to enter the profession.

Information including our by-laws, membership application and more is available on our website [www.mmanh.org](http://www.mmanh.org). At only \$110 per year, the benefit of full membership includes reduced rates for MMANH's annual conference, access to our email list serve for real-time discussion and immediate advice from professional colleagues from around the state, and regular meetings for gathering and discussing current topics with subject area experts. With a reduced rate of \$55 annually, Associate and Emeritus members not meeting the requirements for full membership, receive member pricing for the annual conference, and can participate in subcommittees and regular meetings. Along with this, Emeritus members can also participate in the email list serve.

The MMANH meets on the third Friday during the months of February, April, August and October. Traditionally those meetings are held at 25 Triangle Park Drive in Concord. Please join us for our meetings, the annual conference in June and other opportunities to realize the full value of MMANH's programming and enjoy the camaraderie of your colleagues.

The current MMANH Executive Board is listed on the left side of this letterhead. If you have any questions about MMANH and membership benefits or about serving as a town, city or county manager/administrator, please feel free to contact any of us.

Very truly yours,

Todd Selig  
Municipal Management Association of New Hampshire
