January 16, 2020

Dear Local Official:

I am writing on behalf of the Municipal Management Association of New Hampshire (MMANH) to invite you to renew your membership or join our state managers' organization for the 2020 membership year. The MMANH provides the only statewide opportunity for local government managers to network and access educational programs tailored specifically for our professional and regional interests. MMANH is also supportive of our next generation of municipal managers through its sponsorship of a successful fellowship program for graduate students looking to enter the profession.

Information including our by-laws, membership application and more is available on our website: [www.mmanh.org](http://www.mmanh.org). At only \$100 per year, the value and direct benefits of full membership include reduced rates for MMANH's annual conference, access to our email list serve for real-time discussion and immediate advice from professional colleagues from around the state, and regular meetings for gathering and discussing current topics with subject area experts. With a reduced rate of \$50 annually, Associate and Emeritus members not meeting the requirements of full membership, receive member pricing for the annual conference, and can participate in sub-committees and regular meetings. Along with this, emeritus Members can also participate in the email list serve.

So you may mark out your calendars ahead of time, the MMANH meets on the third Friday during the months of February, March, May, and September/October at 25 Triangle Park Drive. In 2020, our annual conference is being planned for mid-June. More details will be forthcoming. We also anticipate another joint NH/Maine association seminar in December. Please join us for our meetings, the annual conference and the joint NH/ME December seminar to realize the value of MMANH's programming and enjoy first hand our professional camaraderie.

The current MMANH Executive Board is listed on the left side of this letterhead. If you have any questions about MMANH and membership benefits or about serving as a town, city or county manager/administrator, please feel free to contact any of us.

Very truly yours,

Laura Buono, President  
Municipal Management Association of NH
